

AS-400 Whole House Water Filter 4-Year Limited Warranty

What is covered:

This Warranty covers defects in materials or workmanship in manufacturing of your Austin Springs Whole House Filtration Systems, except as provided below.

For how long:

This warranty runs for 48 months from the date of purchase by a consumer "Warranty Period".

What is not covered:

This warranty does not cover filter cartridges and any systems that were not installed in compliance with the instructions by a licensed plumber or that have been abused or operated incorrectly. It also does not cover the following:

- Incidental or consequential damages caused by a failure of the product.
- Clogging, as replacement of the pre-filter cartridge is the purchaser's responsibility.
- Damage from use of non-potable water supplies.
- Labor costs to install or replace the system or filters.
- Damage caused by fire, flood or acts of God.

This warranty is voided if the product is used with parts that are not genuine Austin Springs parts. This includes, but is not limited to: replacement filters, faucets, and diverter valves.

What Austin Springs will do:

We will replace the defective part of the covered product, or if necessary, the product and send it to you with installation instructions for a licensed plumber.

How to get service:

To receive service under this Warranty, you must contact the dealer from which you purchased your system within the Warranty Period and they will verify the Warranty and determine whether a part or the system needs to be replaced. You may be required to show proof of purchase to your dealer and proof of a licensed plumber's installation. The replacement part or system will be sent to you upon payment of shipping and handling.

How state law applies:

This warranty gives you specific rights and you may have other rights which vary from state to state.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Warranty card:

Warranty registration is not required for coverage under the Austin Springs Limited Warranty.
